

PRODUCT INFORMATION SHEET

CARLUBE RADIATOR FLUSH

DESCRIPTION

Carlube Radiator Flush cleans all automotive cooling systems from engine block to radiator and heater cores. This non-acid cleaner removes grease, oil, aluminium silicates and oxidation that can reduce cooling system efficiency.

ADVANTAGES

- Removes Rust, Sludge and Scale
- Clears blockages which can cause overheating
- Helps resist acid attack that can lead to corrosion
- Compatible with Aluminium and Non-metallic components
- Treats up to 10 litres

PROPERTIES

Appearance	Slightly Turbid Liquid
Color	Yellow
Density @ 20°C	1.044
pH	12.4
Non-Volatiles (%)	8.0

DIRECTIONS FOR USE

- Drain coolant and flush through with running water.
- Fill radiator with water to minimum recommended level.
- Add Radiator Flush and start the engine.
- Drive the car normally for 50 miles or run the engine at working temperature for 10 minutes with the car stationary.
- Allow engine to cool and drain the system.
- Run clean water through the system and refill with water/antifreeze mix.

AVAILABILITY

300ml – CNR300 (F)

300ml – RAF301 (UK)

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
